

Better Opens Opportunity's Door.

Hope asks what's better? Faith says here's how. Will receives an option. Behaviour determined by belief. Action is a choice. Freedom is you get to choose.

BETTER

Wrong

Choosing Better is Choosing Wisely.

ALWAYS THERE IS BETTER

God's Greatest Gift to us all.

A capacity for every individual to be guided through life by God Himself. All we have to do to unwrap this most precious of all gifts is to ask God, to be your conscience for you giving voice to God within your own brain. Learning obedience by the things that we suffer (punishment) opposes His Gift of Grace. Your mentoring can replace your punishment.

HOPE

There is always a better hope on offer and hope leads us closer to God, and the revelations found in that better hope lead us on into faith, and faith, to the bringing into manifestation, the evidence of things not seen, and the substance of things hoped for. And if a faith, a faith unto who other than The Living God of All Creation, The Holy Spirit of God who promises to lead us all into all kindness and also into all truth, which is to say Love. Peace is the workings of Love resulting in Joy.

Bring back a joy to learning

Education is more than compliance
Relationship greater than regulation
Equality is the essence of respect

Lead by example not by force

End the suffering Take off the shackle

Yesterday's shackle of learning obedience by the things that we suffer
because all are still suffering under such pharisaic madness.

Encouragement is better than punishment
