

# **Consider Better.**

## **Consider Better**

**What we think is what we become**

**What you think is what you are**

**So the fear you fear the most**

**Will mostly come upon you**

**Our best considers better**

**Better never ends**

**Better looks up**

## **Consider Better**

**Right and wrong divide while better reconciles**

**When being right starts a fight or wrong makes a lesser of you**

**Why be right or wrong at all when we all can simply be doing better**

**Better makes all things new again. Even right and wrong redundant**

**Better brings choice and choice delivers freedom**

**Better draws us nearer to our source**

**Our best considers better**

**Better never ends**

**Better hooks up**

## **Consider Better**

**What we do know is that what we don't know**

**Is always greater than that what we do know**

**The more we know the more we understand how much we don't know**

**Our unknown will always remain more than our known**

**Better produces opportunity for us all**

**Better is a gift improving progression**

**Innovation is a gift of better**

**Our best considers better**

**Better never ends**

**Better is in you**

## **Consider Better**

**The better hope of the hope of better**

**Positions better as the essential essence to hope,**

**Hope leads us on toward faith,**

**And anything outside of faith**

**Scripture describes as sin**

**Our best considers better**

**Better never ends**

**Better comes from God.**

**Please consider better**

**Better is for us all**
