Right and Wrong Divide

Better Reconciles.

Peace the workings of love resulting in Joy.

Contemplating Peace.

Your considerations please.

- Hospitality overcomes hostility.
- Consider the hope of better more-so than standing in judgment over right and wrong because better combines while right and wrong divides.
- Stop the brutality. Learning obedience by the things that we suffer is a way of brutality not Peace and is only violence breeding more violence, particularly in light of grace. Mentoring can replace punishment.
- We can learn how not to be offended equally as we can learn how not to offend and play a part in taking away the shortcomings of us all.
- Disseminate further the time tested and well proven eternal law of liberty, empathy and care, our golden rule of western civilizations' truth and grace, meaning, be doing to others as you'd have others be doing to you; treat all People equal to yourself and even better when you can. Listen, learn and be kind.
- An equal opportunity world for all can be achieved through equal opportunity to education for all.
- Change planet Earth's name to Peace, allowing us all to see the beauty of the diversity of Humanity coming together as one giant global Community of Peace by Democratic Law and Order.

**The Journey to date, we can learn war no more
And live our lives unto Life.
Not unto the death.**

Better Opens Opportunity's Door.

Hope asks what's better? Faith says here's how. Will receives an option. Behaviour determined by belief. Action is a choice. Freedom is you get to choose.

BETTER

Wrong
Choosing Better is Choosing Wisely.

Right
ALWAYS THERE IS BETTER
Better comes from God

God's Greatest Gift to us all.

Capacity for every individual to be guided through life by God Himself. To unwrap this most precious of all gifts ask God to be your conscience for you thus giving voice to God within your own brain. Your mentoring can replace your punishment leading by example instead. Learning obedience by the things that we suffer. (punishment) opposes His Gift of Grace.

Peace

Caring for and respecting other people the way we ourselves would want other people respecting and caring for us achieves It. Grace and Truth. The Greatest story of all.

There is always a better hope on offer and hope leads us closer to God, and the revelations found in that better hope lead us on into faith, and faith, to the bringing into manifestation, the evidence of things not seen, and the substance of things hoped for. And if a faith, a faith unto who other than The Living God of All Creation, The Holy Spirit of God who promises to lead us all into all kindness and also into all truth, which is to say Love. Peace is the workings of Love resulting in Joy.
